

## Aqua Club Dolphin

At a distance of 30 km, Aqua Club Dolphin in Esenyurt is the closest water park to Sultanhamet and Taksim. It has twelve slides, four large swimming pools, two children's pools, and five on-site restaurants.

## Aqua Club Slides

### Child Slides

The child slide area consists of colorful waterspouts and Dr. Seuss styled mini slides that intertwine into a large pool of water.

### Adult Slides

For adults, there are toboggan slides, drop slides and some rafting options.

### Kamikaze

A narrow curvy slide that gathers speeds quickly for fast entry in the pool.

### Tsunami

A long ride that sends you swaying from side-to-side before bringing you down into the pool.

### King Cobra

Structured like a cobra with the head of the snake facing you as you slide down the long, slithery looking slide.

## **Black Anaconda**

A subtle raft ride that snakes round and round.

## **The Black Hole**

Aa two-person tube raft that guides you into the water.

## **Aqua Club Rules**

- There is no refund and rain refund.
- It is not suitable for people with physical disabilities, overweight, neck, back, heart problems and pregnant women to use the slides in the park. Some slides are not suitable for those who have high excitement and deep water activities, fear of high speed, height and indoor space.
